

Enrolment information

This is a placeholder showing how a enrolment information pack appears on the website. The committee will replace it with the current version.

Who can open it: Public

Listed on the website's Family documents page, so any family can open it.

Replacing this sample

A committee member signs in to the website editor, opens Documents and uploads the current version. The link and QR code stay the same, and the committee can give it a fresh link at any time.
